

SealGreen Driveway Garage Cleaner

Size	Makes	Covers
Pint	1 Gallon	100 - 250 sqft
Quart	2.5 Gallons	500 – 1,000 sqft
Gallon	10 Gallons	2,000 – 4,000 sqft
5 Gallon	50 Gallons	10,000 – 20,000 sqft
55 Gallon	550 Gallons	100K – 200K sqft

Application –

- The cleaner becomes more effective when the water temperature increases (up to 212 degrees).
- It is safe to use in steam cleaners.
- Agitation and contact time improve performance.
- Difficult cleaning tasks may require a more concentrated solution of cleaner (1:1 cleaner to water dilution).
- Lower concentrations (from 1:5 up to 50 (water)) may be effective for many applications.
